Our Vision for the Future

A Special Alpha Omega Council Planning Session

Founded in 1976, Alpha Omega Council is quickly approaching its 50th anniversary. Over the past 48 years, our organization has become the premier Greek American organization in New England, growing to over 100 members and making significant contributions to our community.

Your participation & input is needed to answer ...

Where do we want to go from here? How do we refine our vision to continue to positively impact our membership and our community?
